C Major Bass Scale

Welcome to Learn the Accordion.

This is the supporting PDF booklet for the video - "C Major Bass Scale"

This is for the ascending C Major bass scale. It is exactly the same fingers descending in reverse.

Practice slowly with the video and then work on descending

Good news! once you have learned this major scale the rest have exactly the same fingering

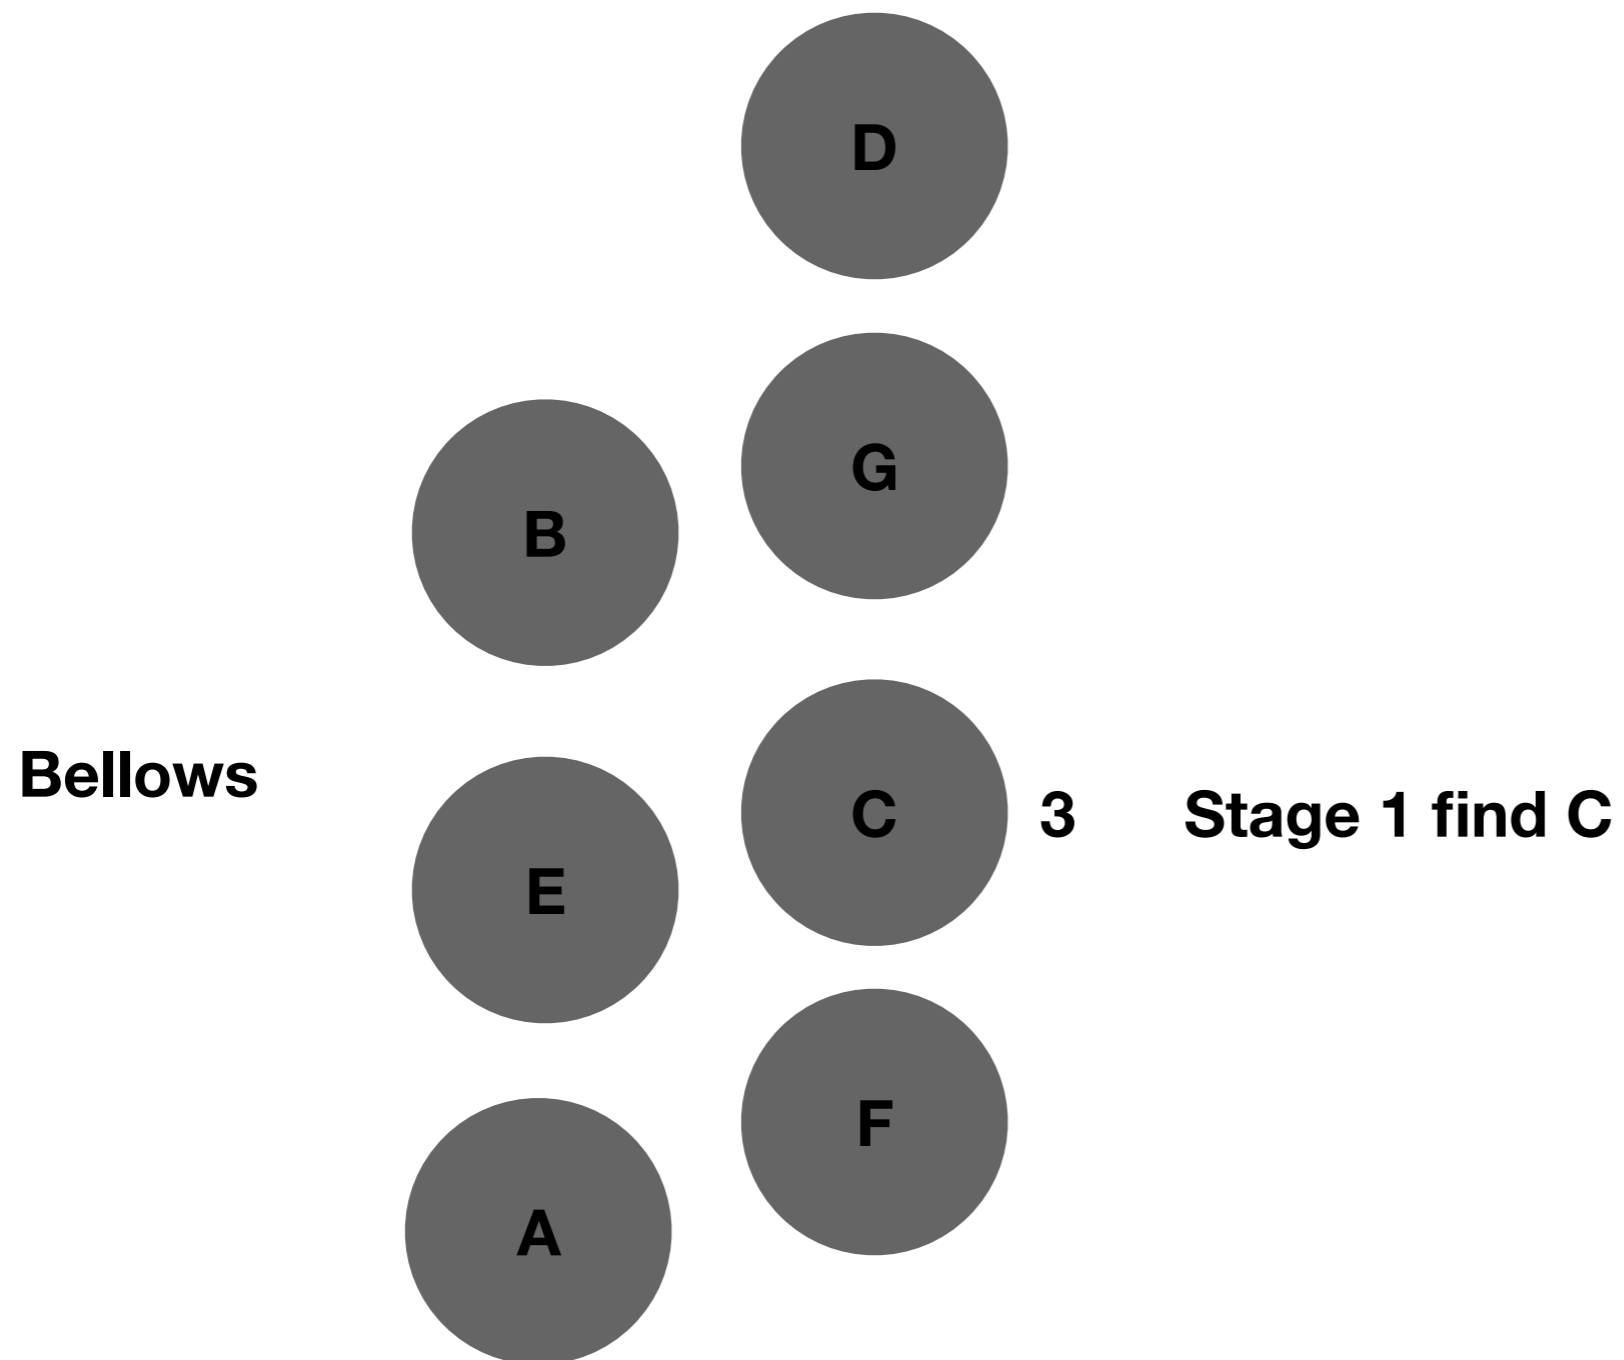

C MAJOR BASS SCALE

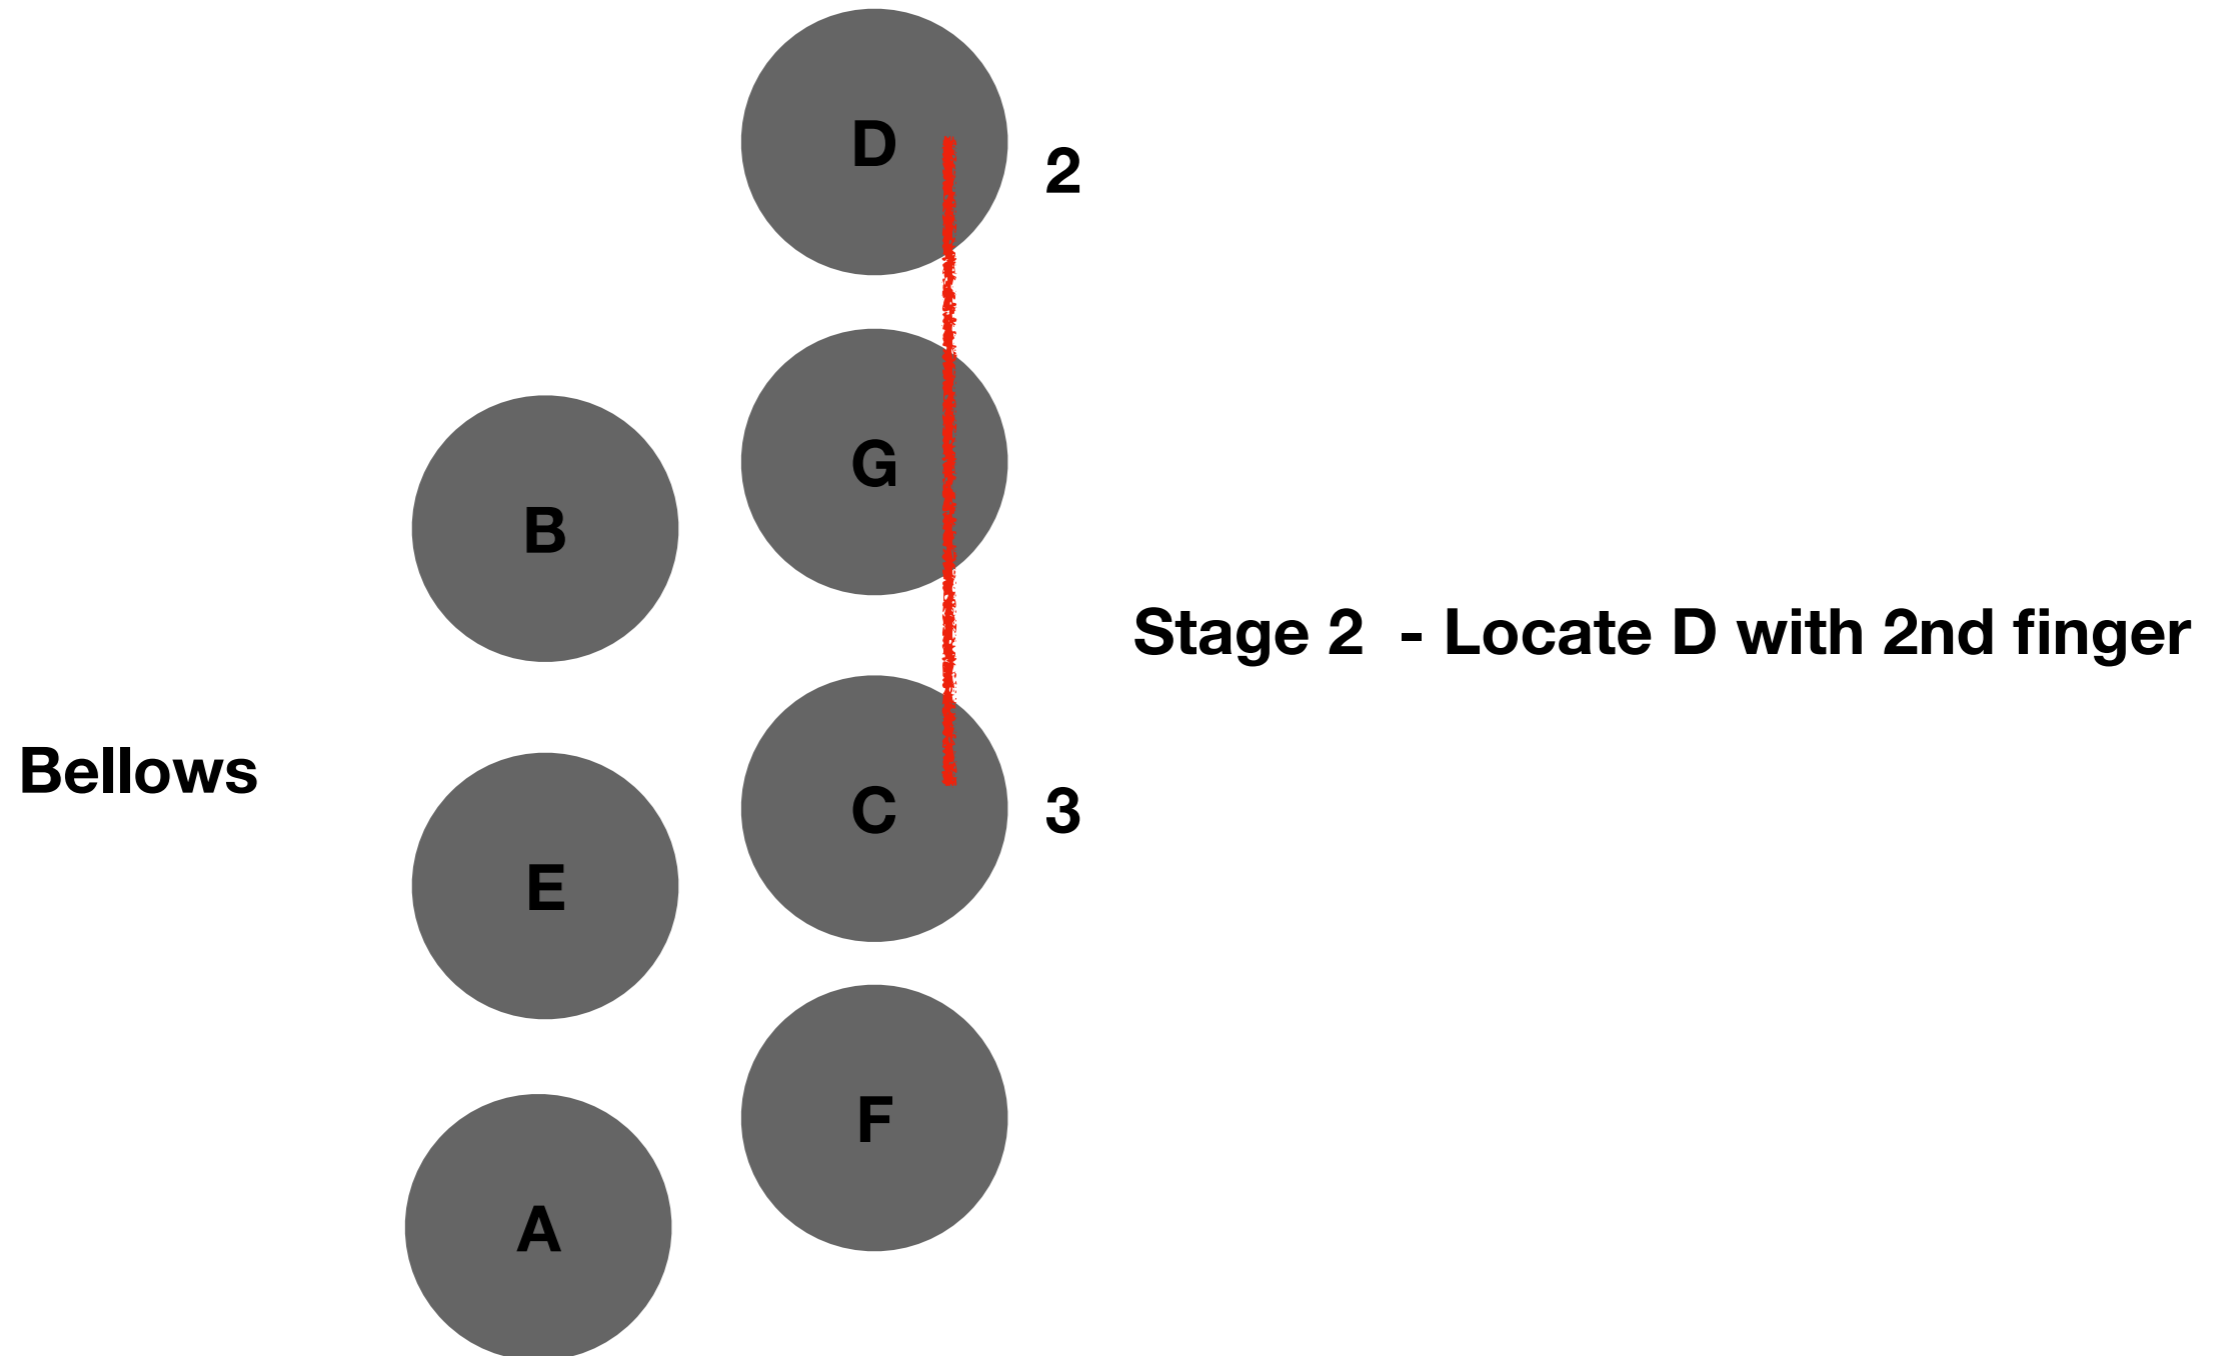

ACCORDION

C 3 D 2 E 3 F 4 G 2 A 4 B 2 C 3

Accordion Bass Scale

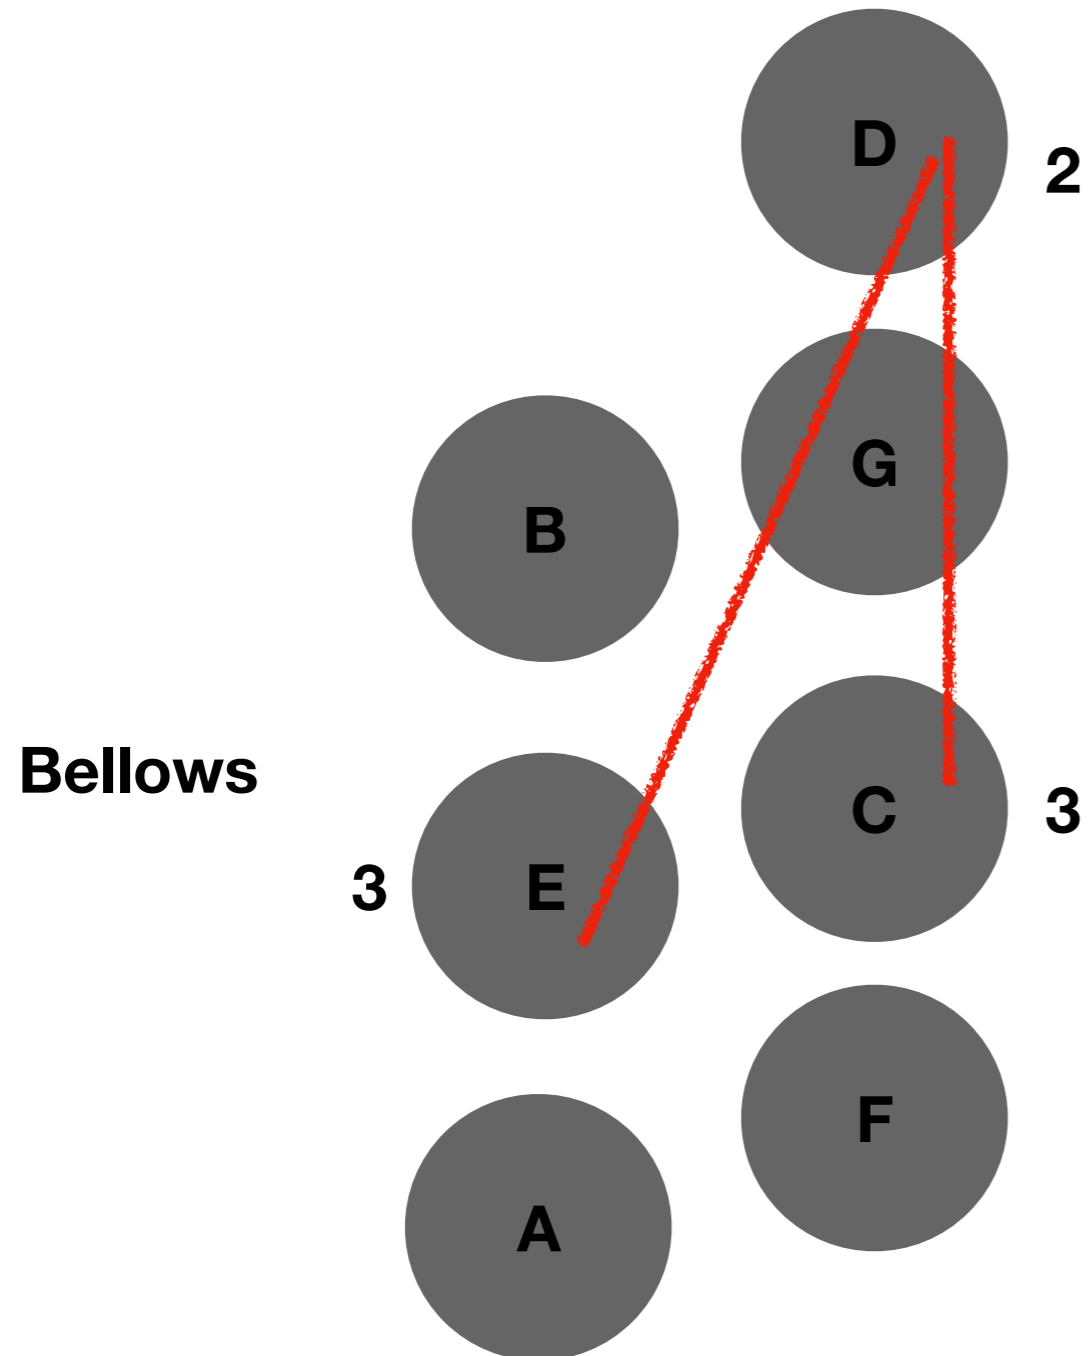

Accordion Bass Scale

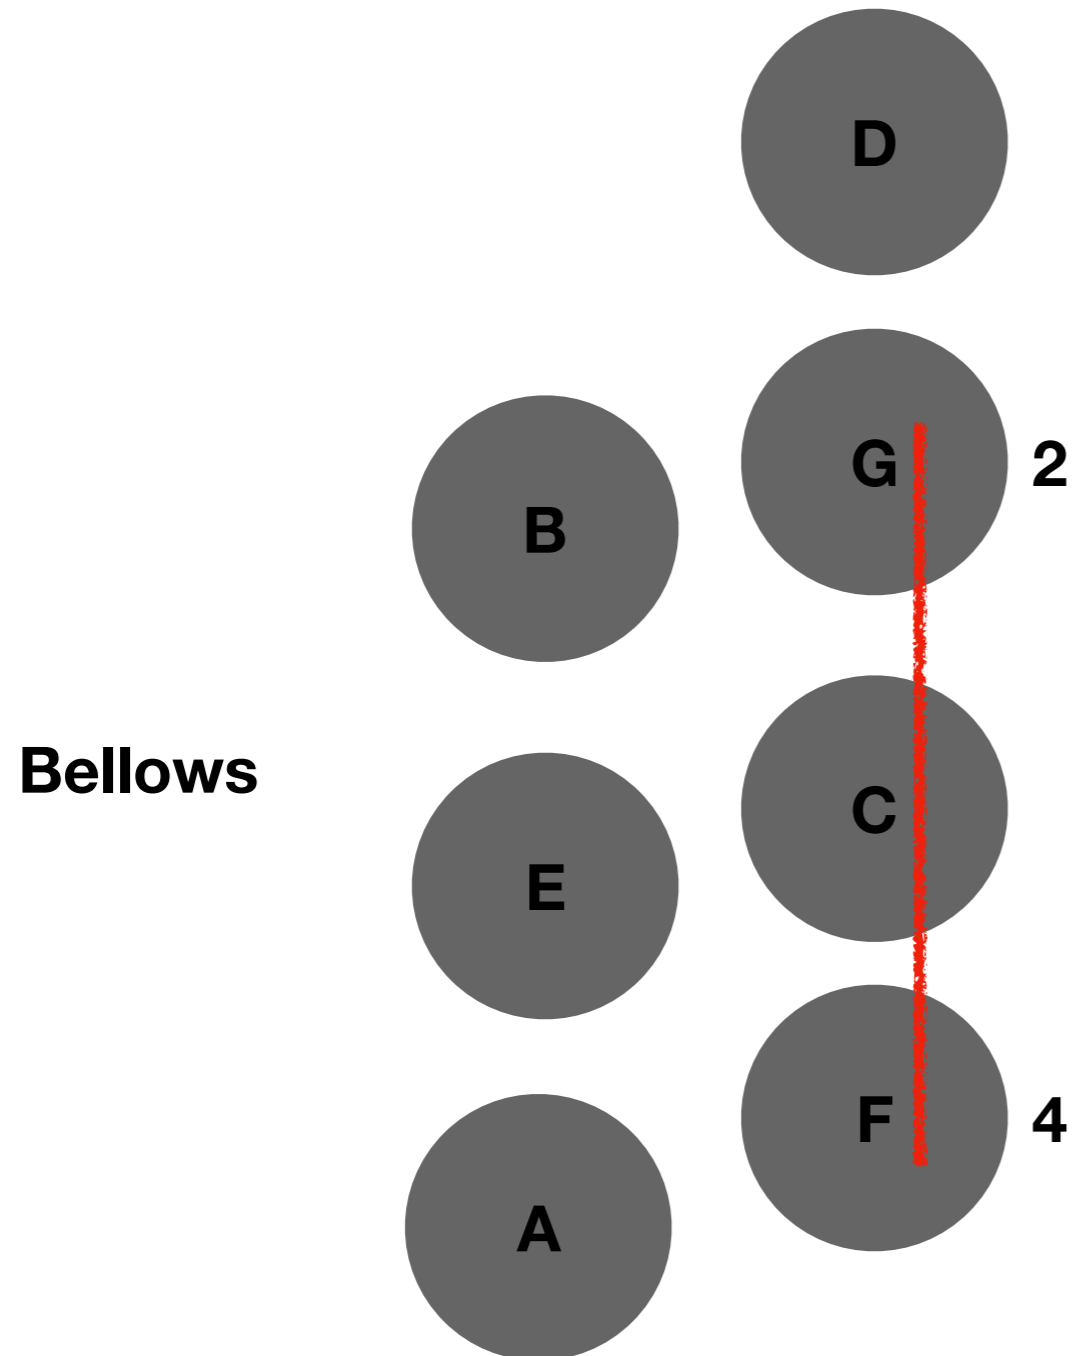

Accordion Bass Scale

stage 3 complete your first triangle. Locate E

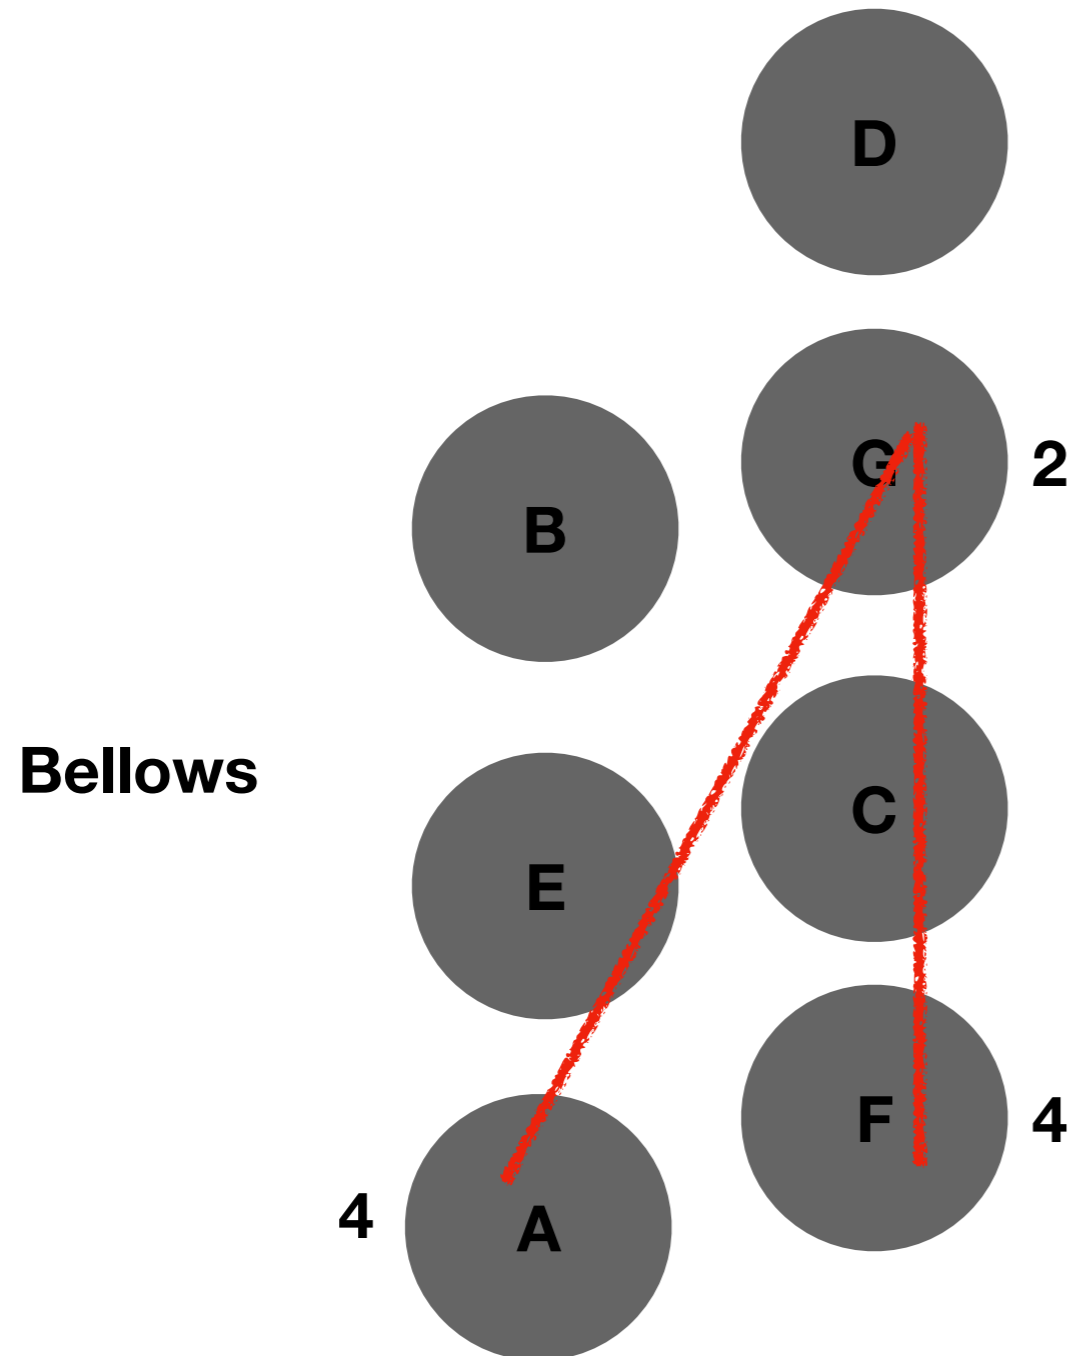

Accordion Bass Scale

Stage 4 locate F, just below C and then use your 2nd finger to find G. 2 steps up

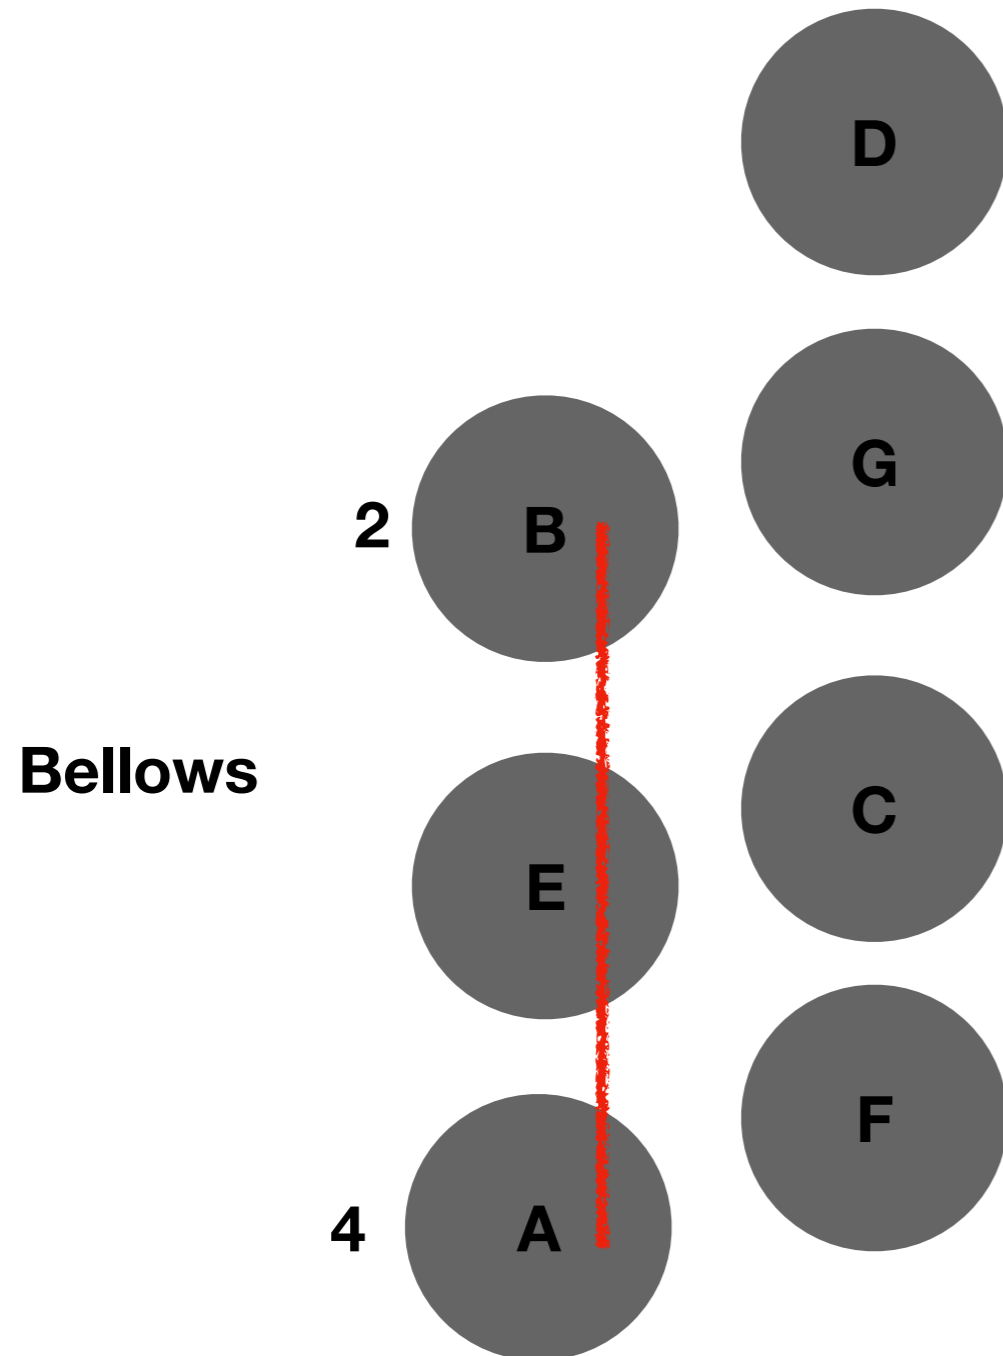

Accordion Bass Scale

Stage 5 complete the second triangle. Locate A with your 4th Finger

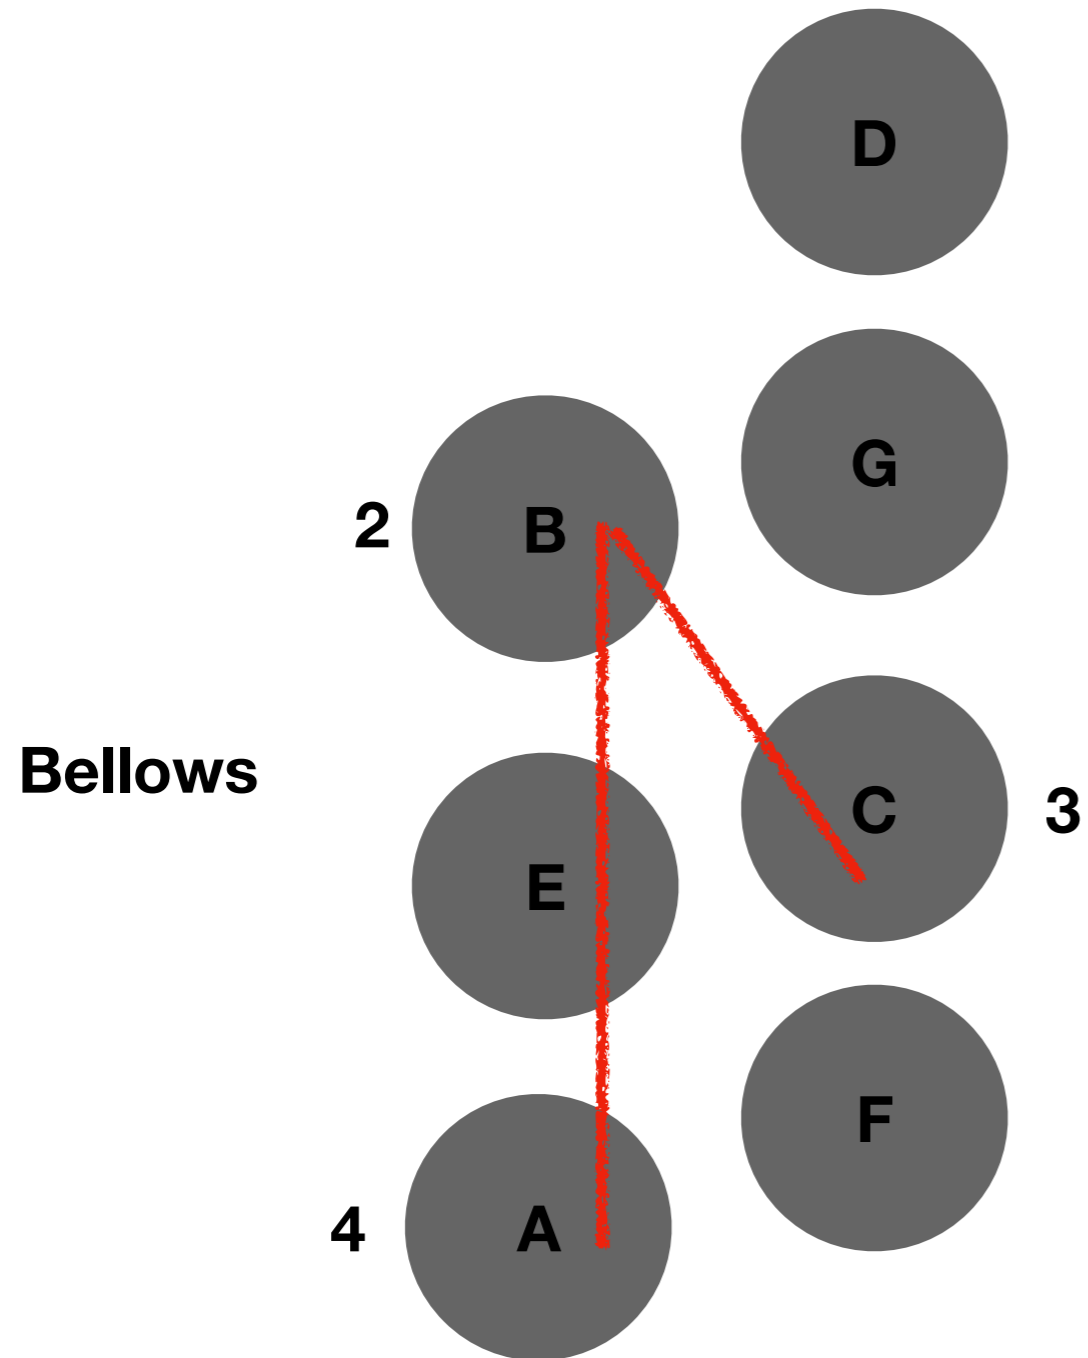

Accordion Bass Scale

Almost there! Find B with your 2nd finger. This is 2 steps up from A.

Accordion Bass Scale

Last move. Move your 3 rd finger to C and complete the last triangle

C MAJOR BASS SCALE

ACCORDION

C 3 D 2 E 3 F 4 G 2 A 4 B 2 C 3

Well Done! Now practice going back down again in reverse.

Happy Practicing
